

THE HIGHLANDS HOTEL

GLENTIES, COUNTY DONEGAL

Dear Sir/Madam,

What better way to discover the hidden gems of Donegal's Wild Atlantic Way than by foot. Our tailored walking package tours will cater for every level of the walkers expertise.

What is it about Donegal that makes it so special?

Donegal is a county of vast expanses, extremes and excitement. It is The jewel in the crown of a country renowned for its tourist attractions. A cradle of the Irish tradition of music, song and craic that almost permeates the countryside. Donegal is also a mystical county of ancient sites and folklore, where little minds can be fired up to take flight across realms of imagination. A place where all cultures are accepted wholeheartedly. Where smiling faces are generous with their time and with their surroundings. Its as if they realise just how special this extreme north west corner of Europe is: and want to share its treasures and secrets to those that take time out to explore the splendour that we have to offer.

Donegal is an area of outstanding beauty, where from The Highlands Hotel, you can take in the breath taking sites of sliabh liag, Glengesh, Glencolmcille, The heritage town of Ardara, The Fairy Mount and much more.

Experience a place where everyone feels welcome, everyone is your friend. The people are the county and the county is of the people.

Donegal really has it all.
